## About

---

**Hello!** My name is Dima. I'm a web-developer from Odessa (Ukraine). I started to get interested in programming about two years ago. During this time, I actively studied various technologies and participated in small freelance projects. Now I am looking for a new job.

### I own:

- ✓ HTML5
- ✓ CSS3 (inc. Flex, Grid, media-queries, css-animation libs)
- ✓ SASS/SCSS
- ✓ BEM methodology
- ✓ Bootstrap
- ✓ JavaScript(inc. ES6+ features, async/await syntax, import/export syntax)
- ✓ OOP basics
- ✓ ReactJS (inc. redux, hooks, Context API, React-router)
- ✓ For styling React components: Material-UI, css/sass-modules, styled-components
- ✓ NodeJs basics(Express, REST API)
- ✓ Php basics, have some experience with WordPress
- ✓ Gulp, Webpack, Parcel bundlers
- ✓ Git
